The enemy himself extolled the Trojans with distinguished praise, and with pleasure traced his descent from the ancient Trojan race. Come then, youths, enter our walls.

DEDICATION

We, the Seniors of Athens High School, present the 1966 TROJAN, hopeful that this book combines the many things that will establish Athens High School forever in our memories.

It is with great pride and grateful appreciation that we dedicate this 1966 issue to the Senior Sponsors, Perry Hill and Nancy Bailey.

They have shown to us the importance of learning and the achievements made possible by it. Their loyalty and their interest in the activities of each student who have had the privilege of association with them will make them irreplaceable and unforgettable.

They will hold a special place in our memories for many years to come.

In the midst of happy memories sometimes creeps a lingering note of sadness-tragedy touched the entire student body at the loss of Edmund Champ Clark-a junior who was most active in many organizations and an honor student. We shall miss him.

FACULTY

Joe Vachon, Principal
Emma Dean White, Secretary

To the Seniors:

We have taught you, guided you, corrected you, inspired you, and given you the tools of learning. If you use this information wisely, the road to success will be much smoother.

As you leaf through this annual, may you recall the happiest days of your life —

FUTURE HOMEMAKERS OF AMERICA

The Future Homemakers of America, sponsored by Mrs. Madeleine Shorter, is one of the most popular and most active organizations in our school.

During 1965 and 1966, members have cooperated with civic groups in raising funds for worthy causes, such as the Workshop for the Exceptional School.

Other projects included participating in FHA Regional Meetings, Annual Style Show, Faculty Tea, and the highlight of the year, the banquet for the Basketball Team.

The Future Teachers of America is an active organization in our school and is co-sponsored by Mrs. Cleo Ferguson and Mrs. Virginia White.

Members of the club assist the elementary school teachers, entertain the faculty with an appreciation tea and help with the purchase of awards for the Awards Assembly in the spring. Most of all they develop interests in the teaching profession among their members.

This year, as in the past, the FTA collected donations for the Heart Fund.

NATIONAL HONOR SOCIETY

The National Honor Society of Athens High School, sponsored by Donald R. Baldwin, holds two inductions during the school year, spring and fall.

In the fall, members of the Junior and Senior classes are selected to become members of this national organization.

At the spring induction, an outstanding sophomore is recognized and presented with the outstanding sophomore cup.

This year the Honor Society has published a six weeks honor roll, which hangs in the entrance hall of our school.

The Student Council at Athens High School, under the sponsorship of Mrs. Anita Ayers, is responsible for many of the important activities of our school.

This year the president, Vivian Sheets, and Debbie Pennington attended the State NASC Convention at Jackson's Mill.

Annually, the Student Council sponsors the "Miss Trojan" and the "Miss Sweetheart" contests. They also present suggestions for school improvements to be approved by the administration.

The German Club was organized by Mrs. Marliese Mooney with the assistance of Mrs. W. B. Robertson.

The class meets on Monday, Wednesday, and Friday after school. Once a week they are allowed to use the college language laboratory.

During the Christmas season, the club enjoyed a party held at Holroyd Hall, where they observed German customs.

The Athens High School Spanish Club, under the leadership of Mrs. W. B. Robertson, includes students of Spanish I and II.

This year the Spanish Club held their annual Christmas Party at the Athens Community Center, where they observed the traditional Spanish custom of breaking the piniata.

They also have a booth at the Halloween Carnival, sponsored by the Athens Lions Club.

At the annual Awards Day, the club presents awards to two outstanding Spanish Students.

SCIENCE CLUB

This year Athens High School has added several new organizations to its curriculum. One of the most active is the newly organized Science Club, sponsored by Mrs. Marliese Mooney.

Among its many projects have been the exhibitions in the school, county, and regional Science Fairs.

They have also enjoyed many social activities during the year.

This year eight students were fortunate enough to tour the Atomic Laboratory at Oak Ridge, Tennessee.

ACTIVITIES

ATHENS HIGH BAND

"Music Hath Charm. . ."

We take great pride in our marching and concert band, which is under the direction of R. D. Hamden, Jr. Each year the band participates in several area activities, including Band Day, Concord Homecoming, and the band festival. Because of Mr. Hamden's able direction, the band has attained 8 consecutive Superior Ratings for its performances at these festivals. The AHS Band also plays for many other school events — at ball games, assemblies and concerts. This year they have been making plans for a trip to the National Band Festival, Myrtle Beach, South Carolina.

The Junior and Senior High Choirs also bring music to the ears of AHS students, and are directed by Mrs. Grace Gumm. They perform at special school assemblies, such as Christmas and for graduation, and each year the members attend the area Jr. and Sr. High Choir Festivals.

Cupid and my Campaspe played
At cards for kisses; Cupid paid,
He stakes his quiver, bows and arrows,
His mother's doves and team of sparrows;
Loses them too; then down he throws
The coral of his lip, the rose
Growing on's cheek (but none knows how);

With these, the crystal of his brow,
And then the dimple of his chin;
All these did my Campaspe win.
At last he set her both his eyes;
She won, and Cupid blind did rise,
O Love, has she done this to thee?
What shall, alas! become of me?
