DEDICATION

We, the Seniors at Athens High School have been guided by the teachers, but none are more appreciated than our sponsors, Mrs. Virginia White and Mr. Q. D. White.

We have been directed, corrected and inspired toward success. Our sponsors have helped imprint the memory of the fun and work we have had leading up to our year 1967.

With our sincere thanks, we dedicate this annual to our sponsors, Mrs. Virginia White and Mr. Q. D. White.

Nobody, I believe, will deny, that true nature of the human mind, not from sloth and stupidity of the most degenerate and vilest of men, but from the sentiments and fervent desires of the best and wisest of the species.

Archbishop Leighton

FACULTY

JOE VACHON, PRINCIPAL EMMA DEAN WHITE, SEC.

Successfully to accomplish any task it is necessary not only that you should give it the best there is in you, but that you should obtain for it the best there is in those under your guidance.

George W. Goethals

The talent of success is nothing more than doing what you can do well, and doing well whatever you do, without a thought of fame.

IN MEMORY OF EDMUND CHAMP CLARK

Edmund Champ Clark is the only deceased member of the graduating group who began their school years in the Old Building in September, 1956. An only child, Champ was the son of Mrs. Louise Wall Clark and the late Mr. Champ Clark who was an instructor of biology at Athens High School at the time of his death.

Champ, an outstanding student, was inducted into the National Honor Society in the spring of 1965, at the close of his sophomore year, just two months before his death from accidental drowning. He faithfully represented his class as an active, interested member of Student Council.

The various clubs at Athens High School work for the school as well as the community. The F.T.A. collects for the Heart Fund every year along with a donation for the awards for Awards Day, Apple Day, and a tea for the teachers. F.H.A. sponsors a Basketball Banquet for the ball players each year. The German Club's main purpose is to further the knowledge and understanding of German. The Spanish Club's main activity is the sending of \$25 to the Spanish-American Care. The National Honor Society plans money making projects in order to leave money for the use of next years Honor Society. The Student Council represents the entire student body. They collect gifts to be sent to the Weston State Mental Hospital. The Science Club participates in the County Science Fair. The Interact Club collected for the Joey Oxley Fund. They also provide opportunities for young men to work together in a fellowship dedicated to service and international understanding. The Masque + Gavel promotes student appreciation and participation in speech and drama. The clubs at A.H.S. are active and do contribute to a major portion of the schools extra curricular activities.
